Kumar Priyadarshan is as much of a nature lover's paradise as it is a delight for the aficionados of gracious living.

Located in the prime locality of Pashan-Sus road, this residential property is the perfect abode for those who prefer a home away from the madding crowds, and yet want to be connected to the trappings of modern living.

The pristine pashan lake is virtually your neighbour, and coming home to the soft murmurs of its lapping waters is a luxury not many are privy too. The majestic Sahyadri hills run a ring around the project, so wherever you see, you see green.

While on one hand we have this bounty of nature, on the other hand the project affords you excellent connectivity to prime areas such as Baner, Aundh, Shivajinagar, Kothrud and Hinjawadi.

Whether you are looking for a cozy, comfortable home amidst nature, or an astute investment that is bound to give high returns, Kumar Priyadarshan qualifies on all counts.
