**EQUITIES AND TRANSACTIONS:** 300 lakh sq. ft. of equity partnerships with brands such as Mahindra, Godrej, Columbia Asia and VTP

## BIBVEWADI IS TRADERS' PREFERRED LOCATION

Bibweadi is the hub of trade in Pune. The traditional wholesale and retail trade markets dealing in various goods are all found within a short distance of Bibweadi. These include:

**MARKET YARD** (Wholesale market for food and food products)  
**TIMBER MARKET** (Wholesale furniture market)  
**PHURSUNGI** (Textile market)  
**SOMWAR PETH MARKET** (Fashion and Jewellery market)  
**TAPKOR GALLI** (Market for hardware, electronics and lighting, established around 1950)  
**LAXMI ROAD** (Jewellery shops established over 50 years ago)  
**BOHRI ALI** (Jewellery and hardware market established over 60 years ago)

## A MARKET WHERE EVERY ZONE IS ON THE GROUND FLOOR.

EVERY ZONE HAS MULTIPLE DIRECT VEHICULAR AND PEDESTRIAN ACCESS FROM OUTSIDE.

- ZONE A: 3 ACCESS POINTS
- ZONE B: 3 ACCESS POINTS
- ZONE C: 3 ACCESS POINTS
- ZONE D: 3 ACCESS POINTS
- ZONE E: 2 ACCESS POINTS

Traders can access their zones easily. Customers can access any zone they wish to, directly from outside.

### MISSION

To provide the traders of Pune an opportunity & infrastructure to have 100% FOCUS on growing their business for the future.

INTRODUCING  
**MAHARASHTRA'S LARGEST  
WHOLESALE TRADE MARKET.**

A wholesale market with all the facilities and infrastructure to help trade grow in Pune.

TRADERS FACED  
MANY CHALLENGES  
IN THE OLD MARKETS.

WE INTERVIEWED 9,752 TRADERS.  
ALL OF THEM IDENTIFIED THE SAME PROBLEMS.

- **SECURITY ISSUES** (Frequent break-ins resulting in losses)
- **SAFETY** (Crowded markets are hotspots for the pandemic)
- **PARKING** (No space for traders as well as consumers)
- **SERVICES** (Lack of ancillary services like financial, legal, EXIM and maintenance)
- **LOADING/UNLOADING** (Goods cannot be brought into crowded markets easily)
- **WAREHOUSING** (Godowns are really far)
- **LABOUR** (Lack of trained manpower)
- **LACK OF SPACE** (No space to expand business)
- **LOGISTICS** (Packaging and transport of goods is difficult to organize)

TOGETHER, THESE PROBLEMS MEAN TRADE CAN'T REACH  
ITS FULL POTENTIAL IN THESE MARKETS.

BRINGING THE BEST PRACTICES OF GLOBAL TRADE TO PUNE.

WE STUDIED INTERNATIONAL MARKETS TO FIND OUT WHAT MAKES THEM SUCCESSFUL, AND APPLIED THE LEARNINGS HERE.

**GOLD SOUK**

- World's largest gold market - 380+ retailers
- In Dubai's commercial business district
- One of the Emirates' oldest traditional markets
- Has approx. 10 tonnes of gold at all times.

GLOBAL BEST PRACTICES IN TRADE WILL HELP PUNE'S TRADERS COMPETE WITH THE BEST.

## A MARKET WHERE BUSINESS TIME IS NOT WASTED IN LOOKING FOR PARKING.

CAN ACCOMMODATE 6000 VEHICLES IN FULLY EQUIPPED PARKING AREAS.

- Parking facility for 6000 vehicles (cars and bikes) via Pune airport only 1000 vehicles
- 600,000 sq. ft. of dedicated parking (i.e. approx. 20 acres)

Available parking will make MTM a preferred destination for traders and customers alike.

## MANY AMENITIES. MANY INFRASTRUCTURE FACILITIES. ONE PURPOSE: GROWTH OF TRADE.

From location to parking, MTM has been planned and designed to help Pune's traders expand business.

### LOCATION –

- Centrally located at Shivajinagar so that shopping is convenient for all of Pune
- Pune has a working population of approx. 54 lakhs
- Maharashtra's largest B2B trading potential

### PARKING –

- 6000 vehicles parking capacity
- 70,000 footfalls per day

### VIKRETA KENDRA –

- To help in trading with 4 other key cities in Maharashtra
- Traders can become part of rest of Maharashtra's trade which has a potential of ₹1 lakh crores

## FOCUS ON MAINTAINING BUSINESS. NOT THE SHOP.

Traders need to think about business. So, we've taken the headache of shop maintenance off their heads with our facility management service.

- In-house MEP Technicians (electrical, plumbing)
- Housekeeping
- Tea/coffee service
- Tie-ups for fit-outs, shop signage design and organising events
- Taxi services
- Parking management
- MTM info Centre with a digital help desk
- Security services

## EXPAND YOUR BUSINESS TO ALL OF MAHARASHTRA.

We've created a Vikanta Kendra to help traders expand their businesses. This Vikanta Kendra will operate in Pune and some of the major cities of Maharashtra. It has:

- Samee MTM Centres in other cities of Maharashtra
- MTM co-ordinator on site
- Help in the logistics of transportation
- Send/receive goods in other cities of Maharashtra
- Help sort out paperwork for traders

Available in 4 key trading hubs of Maharashtra

## THE DOCTOR IS IN.

Medical emergencies can strike at any time. MTM is fully prepared to take care of any such emergency.

- Doctor on call for MTM
- A specific room dedicated to medical services with medical first aid facility
- An ICU equipped ambulance will be constantly parked at MTM for bigger emergencies

Reassurance for traders and customers that they can spend long hours in the market.

## GIVE YOUR BUSINESS THE IBE EDGE.

Growing businesses need a professional set-up. We, at Solbani, provide this in our commercial towers in Bane, Viman Nagar and Bilewadi. Facilities at the Integrated Business Eco-systems include:

- 5 meeting rooms
- 1 Board Room
- 1 Air Room
- 1 Business Centre
- 1 Lounge and Library area

All these facilities will help professional interaction between traders and their associates.

## TURNOVER WORTH 1000s OF CRORES? AREN'T BFSI SERVICES ESSENTIAL?

Trade and finance go hand in hand. Which is why we've made sure that you have a variety of financial services.

- Banks
- Tax consultants
- C&S
- Forex services

Traders won't need to miss trading time for financial transactions and customers have ATMs on call.

## GIVE YOUR NEW LINE OF PRODUCTS AN APPROPRIATE LAUNCH PAD.

The hall can also be a great space for seminars or training or sales conferences.

- Direct Access from main road
- Approx. 20,000 sq. ft. of space
- Can seat up to 1,000 people
- Titled block with 10+ workshops dedicated to the exhibition hall
- Escalator connecting the exhibition hall to the food court

Gives traders additional space for hosting large numbers. Gives customers an opportunity to be part of new experiences.

## CLIENTS ONLY BUY WHAT THEY SEE.

Display spaces in the Atrium passages allow traders to:

- Customer friendly areas of Atrium passages - approx. 15-25,000 sq. ft. per zone
- Include break out areas with seating for 30-75 people per floor
- Simply display goods or just create branding within the market
- Break out spaces are also great for informal meetings

Traders can display their latest line of goods while customers can see trends from across the globe while relaxing

## MIX BUSINESS WITH PLEASURE.

There's nothing like settling a deal over a great meal. Or watching the buzz of the market as you get a quick bite.

- Restaurants: 5 restaurants offering you great opportunities to entertain clients
- Food court: A large food court with 20+ counters offering you your favourite meals quickly
- Dedicated Restroom Access
- Specially designed exhaust system
- Dedicated restrooms for food court

Food counters at the food court will have potential to serve the 70,000 customers that visit the market.

## GOOD FOR TRADERS. GOOD FOR PUNE. GOOD FOR MONTHLY MAINTENANCE CHARGES.

MTM has not only been created for modern trade, it has been created for a modern world with modern conservation technologies.

**WATER MANAGEMENT**  
Wash-water Recycling | Water Purification Plant | Sewage Treatment Plant | Water Conservation | Rainwater Harvesting

**WASTE MANAGEMENT**  
Hazardous Waste Management | Dedicated Garbage Rooms (for wet and dry waste) | Recycling Initiatives

**ENERGY MANAGEMENT**  
100% DG Back-up | Power-saving fixtures | LED lights | Energy efficient appliances | Energy efficient cables | Solar Renewable Energy Solutions

Socially responsible trade will boost traders' reputations while reducing costs, and make customers happier.

## HYGIENIC WASHROOMS – A BASIC HUMAN NEED.

An entire day spent trading and working hard deserves a few comfort breaks. For which we have:

- Restrooms across 5 zones split between Executive washrooms and washrooms for ladies, gents and the specially-abled
- Dedicated restroom area for staff
- Drivers' washrooms in all parking areas

Traders will never have to shut shop for a comfort break. And shoppers will find it easy to spend more time in the market. Unlike the old markets, e.g. Shukrawar peth had only one ladies' washroom. Over a 100 ladies' washrooms in the market is real convenience.

ZONE W1

## WELCOME ZONE FOR YOUR GOODS.

Loading/unloading areas attached to 4 zones make it easy to transport goods to and from the market.

- Loading/unloading bays
- **Warehousing zone:** Parking and loading/unloading capacity for large trailers/ trucks/ freight lobby
- **Zone C&D:** Temporary parking for tempos/delivery vans, rickshaws and cars.

Importing/outstation or even out of country goods becomes easy. As does fulfilling orders from other cities.

## WAREHOUSE TO STORE? SIMPLY PRESS AN ELEVATOR BUTTON.

Freight elevators and electric goods buggies reduce the dependence on labour.

- 6 freight elevators run up and down the market
- Each freight elevator has a capacity of 2 tons
- 4 electric buggies on every floor transport goods to and from the elevators
- Charging points for buggies and EVs

Automation means traders depend less on labour and face fewer labour issues.

ZONE W

Map not to scale

## STORING AND SELLING AT ONE LOCATION.

2 floors dedicated to warehousing at the top of the market make life easy for traders.

### HOW CAN WE FIT IN 10 LAKH PRODUCTS UNDER ONE ROOF? 2000+ SHOPS, OF COURSE.

The market has been designed to ensure that traders continue to trade in the good old ways - in markets meant for specific goods - but without the bad old problems.

- Market divided into 5 zones as per goods sold
- Zone A will be the food grains and food products market
- Zone B will be homeware and construction equipment
- Zone C will contain all the apparel and accessories stores
- Zone D contains all jewelry brands
- Zone E contains stores dealing in office supplies, healthcare, electronics and other miscellaneous goods

18 markets in 1 - so that customers need not go anywhere else. And increase footfall of customers within the market.

## BECAUSE THERE'S NOTHING AS PRICELESS AS GOOD HEALTH.

MTM has been devoted to ensure that all traders and their customers stay safe and healthy in all circumstances, including pandemics. That's why the market has been equipped with:

- Central water cooled chiller (HVAC System) with a separate drainage system to supply filtered air inside the shops
- "No contact" sanitisation booths at all 25 entrances/exits
- Anti-microbial coating on all metallic surfaces like faucets and door handles
- Filtered air for all common areas including all the Atria
- A curtain wall system and smoke extract systems in all parking areas
- Fire sensors & sprinklers in all zones including parking and warehousing

In a post pandemic world these features will make traders safe. They will also assure consumers about safety and invite them to visit.

## 24-CARAT SECURITY. FOR GOLD JEWELLERY.

Jewellery stores have always needed more security. Laemmli Road market and Somerset Perth are two of the markets that will enjoy moving here.

- Higher load bearing capacity per shop for weight of the safes
- Special access control to all lobbies of Zone D

We'll do whatever it takes to keep high-value goods secure. Customers will also enjoy shopping in a market with modern security parameters.

## SECURITY IS A 24/7 PROCESS.

THE MARKET HAS A SECURITY SYSTEM DESIGNED AND HEADED BY AN EX-DEFENCE SERVICES OFFICER. THIS SYSTEM INCLUDES:

- Smart tags for vehicles
- Scanners at all 25 points of pedestrian entry/exit
- 800 CCTV's covering shopfronts at each level and all other parts of the market (All shop fronts, Entrances/Exits, Common areas, service areas, Parking, Loading/Unloading bays)
- A central command room to co-ordinate all points of security

So that traders can focus on growing their business without worrying about shop security and consumers will feel secure at all times.

## MOVING THROUGH MULTIPLE ZONES IS EASY.

CONVENIENTLY PLACED BANKS OF ELEVATORS MEAN EVEN MOVING THROUGH VARIOUS ZONES IN THIS HUGE MARKET IS NOT TIRING.

- 8 Customers' freight elevators in banks of 2 at three corners of the market.
- The elevators are convenient for the specially-abled too.

Traders can move between warehouse, parking and their zones quickly while customers will find it easy to get to specific shopping areas.

## EVERY LEVEL OF THE MARKET IS CONNECTED.

ESCALATORS AT VARIOUS PLACES IN THE CORNER LINK EACH LEVEL TO THE ONE ABOVE AND THE ONE BELOW.

- 22 escalators within the market
- Special escalator from P1 basement to Zone A
- Special escalator from Zone A parking to Zone B
- Special escalator from Exhibition Hall in Zone C to the Food Court in Zone D

The free flow of pedestrian traffic in the market means traders catch up with associates in other markets while customers can explore the markets.

## WELCOME TO MTM – A MARKET DESIGNED TO GROW YOUR BUSINESS.
