## Kumar Properties

The tallest of reputations are built on the deepest of foundations

Have you ever asked yourself what truly separates a house from a home? True, they are both built of the same materials and they may have the same facilities but there is one thing in a home that a house will never have: a soul. In a home you will find warmth, love and solidarity. At Kumar Properties, we do not build houses; we build homes. For over half a century, Kumar Properties has carved a niche for itself in the cluttered marketplace with an unwavering adherence to two simple values – quality and trust. Our wholesome homes have given our patrons many a reason to believe in us and spread the word. So when you move into a Kumar Properties project, you're not just moving into a new house, you're walking into a home that will love you back with all its heart. It will keep you safe and warm so that you can nurture your dream.

## AWARDS & RECOGNITIONS

Good work is noticed. Great work is rewarded.

Over the five decades of our existence, we have won many laurels and awards for our adherence to quality, passion and commitment. Yes, it feels great. But our true reward is the trust that over 30,000 customers have placed in us and the projects we have delivered to make them happy. These awards only motivate us to work harder because we know that it is rather easy to get to the top, but what takes a true commitment and an unrelenting adherence to passion is, staying there!
