

YASH
ANANT

BUILT WITH ENDLESS PASSION

Established in the year 1992, Yash Group is a dynamic player involved in Real Estate and Infrastructure projects. Yash Group is proactively engaged in the business of development of infrastructure facilities with the aim to provide premium housing and commercials to the clients at par with the international standards so as to provide benchmark quality standards and a luxurious lifestyle. The vision of Yash Group is to successfully embark and complete both residential and commercial projects in and around Gujarat & Western India.

Yash Group today stands tall as a name synonymous with Creativity, Timeliness and Excellence in Architecture with a long list of Esteemed Clients and even longer list of Landmark designs that is built to inspire. The landmark projects of Yash Realty comprise of development of 'Yash Shivalik', 'Yash Arian', 'YSL Avenue', 'Yash Aqua', 'Yash Pinnacle' and 'Glomax' in Ahmedabad.

Yash Group is also highly experienced in working with government agencies such as Urban Department, Revenue Department and Town Planning etc. to deliver projects through various stages from acquiring clear title land, planning, delivery and passing the clear title premise to the client. Since the past two decades, the Yash Realty has successfully undertaken projects in Infrastructure, Education, Real Estate, Financial Services and Training.

Moreover, Yash Group has opened 'The College of Safety & Fire Technology'. The college is dedicated towards promoting professionalism amongst students through education, training and research and Centre for Safety & Fire Solutions (CSFS) is a unit of the college, run by Yash Bhagat Charitable Trust. This Trust is a non-profit organization involved in education and industrial training on HSFE.
